3. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

a. Purpose

The Exchange proposes to amend Rule 13.4(a) (Usage of Data Feeds) to reflect the recent name change of NYSE Chicago, Inc. ("NYSE Chicago") to NYSE Texas, Inc. ("NYSE Texas"). Exchange Rule 13.4(a) lists the specific data feeds it uses for the handling, execution and routing of orders, as well as for surveillance necessary to monitor compliance with applicable securities laws and Exchange Rules.

On February 28, 2025, NYSE Chicago filed with the Commission a proposal to convert from a corporation organized under the laws of the state of Delaware to one organized under the laws of the state of Texas and changed its name from NYSE Chicago, Inc. to NYSE Texas, Inc.<sup>5</sup> Given that NYSE Chicago is one of the data feeds listed under Rule 13.4(a), the Exchange accordingly proposes a conforming change to its rules to replace the name of NYSE Chicago with NYSE Texas.

b. Statutory Basis

The Exchange believes the proposed rule change is consistent with the Act and the rules and regulations thereunder applicable to the Exchange and, in particular, the requirements of Section 6(b) of the Act.<sup>6</sup> Specifically, the Exchange believes the

<sup>6</sup> 15 U.S.C. 78f(b).

proposed rule change is consistent with the Section 6(b)(5)<sup>7</sup> requirements that the rules of an exchange be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest..

In particular, the Exchange believes that the proposal to update Rule 13.4(a) to reference NYSE Texas will ensure that the Rule correctly identifies and publicly states on a market-by-market basis all of the specific network processor and proprietary data feeds that the Exchange utilizes for the handling, routing, and execution of orders, and for performing the regulatory compliance checks related to each of those functions. In addition, the proposed amendment would reduce potential investor and market participant confusion and therefore remove impediments to and perfect the mechanism of a free and open market and a national market system by ensuring that investors and market participants can more easily navigate, understand, and comply with the Exchange's rules. The proposed amendment would not be inconsistent with the public interest and the protection of investors because investors will not be harmed and in fact would benefit from the increased transparency and clarity, thereby reducing potential confusion.

4. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes

---

<sup>7</sup> 15 U.S.C. 78f(b)(5).

of the Act. The proposed rule change is not intended to address competitive issues but rather is concerned solely with updating Rule 13.4(a) to reflect the name change associated with a source of data utilized when performing order handling, execution, and routing, and for surveillance necessary to monitor compliance with applicable securities laws and Exchange rules.

5. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

The Exchange neither solicited nor received comments on the proposed rule change.

6. Extension of Time Period for Commission Action

Not applicable.

7. Basis for Summary Effectiveness Pursuant to Section 19(b)(3) or for Accelerated Effectiveness Pursuant to Section 19(b)(2)

The proposed rule change is filed for immediate effectiveness pursuant to Section 19(b)(3)(A) of Act<sup>8</sup> and Rule 19b-4(f)(6)<sup>9</sup> thereunder. The Exchange has designated this proposal as one that effects a change that rule does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) by its terms, does not become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest. Additionally, the Exchange has given the Commission written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days

<sup>9</sup> 17 CFR 240.19b-4(f)(6).

prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission.

The Exchange believes that the proposed rule change would not adversely affect investors or the public interest, as the Exchange is proposing a non-substantive conforming change to reflect the name change of NYSE Chicago to NYSE Texas found in Rule 13.4. The proposed change would contribute to the orderly operation of the Exchange by ensuring the accuracy of, and adding clarity and transparency to, the Exchange's rules, to the benefit of investors and the public interest.

For the foregoing reasons, this rule filing qualifies as a "non-controversial" rule change under Rule 19b-4(f)(6), which renders the proposed rule change effective upon filing with the Commission. At any time within 60 days of the filing of this proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission will institute proceedings to determine whether the proposed rule change should be approved or disapproved. The Exchange respectfully requests that the Commission waive the 30-day operative delay period after which a proposed rule change under Rule 19b-4(f)(6) becomes effective. The proposed rule change is being submitted merely to update the name of NYSE Chicago to NYSE Texas under Rule 13.4 and does not affect the operation of Rule 13.4 or any other Exchange rule.

8. Proposed Rule Change Based on Rules of Another Self-Regulatory Organization or of the Commission

The proposed rule change is not based on a rule of another self-regulatory organization or the Commission.

9. Security-Based Swap Submissions Filed Pursuant to Section 3C of the Act

Self-Regulatory Organizations; MEMX LLC; Notice of Filing and Immediate Effectiveness of a Proposal to Amend Rule 13.4(a) to Reflect the Name Change of NYSE Chicago, Inc. to NYSE Texas, Inc.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the “Act”),<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> notice is hereby given that on [insert date], MEMX LLC (“MEMX” or the “Exchange”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Exchange filed the proposal as a “non-controversial” proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act<sup>3</sup> and Rule 19b-4(f)(6) thereunder.<sup>4</sup> The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange is filing with the Commission a proposed rule change to amend Rule 13.4(a) to reflect the name change of NYSE Chicago, Inc. to NYSE Texas, Inc. The text of the proposed rule change is provided in Exhibit 5 and is available on the Exchange’s website at <https://info.memxtrading.com/regulation/rules-and-filings/>.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

<sup>3</sup> 15 U.S.C. 78s(b)(3)(A).

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend Rule 13.4(a) (Usage of Data Feeds) to reflect the recent name change of NYSE Chicago, Inc. ("NYSE Chicago") to NYSE Texas, Inc. ("NYSE Texas"). Exchange Rule 13.4(a) lists the specific data feeds it uses for the handling, execution and routing of orders, as well as for surveillance necessary to monitor compliance with applicable securities laws and Exchange Rules.

On February 28, 2025, NYSE Chicago filed with the Commission a proposal to convert from a corporation organized under the laws of the state of Delaware to one organized under the laws of the state of Texas and changed its name from NYSE Chicago, Inc. to NYSE Texas, Inc.<sup>5</sup> Given that NYSE Chicago is one of the data feeds listed under Rule 13.4(a), the Exchange accordingly proposes a conforming change to its rules to replace the name of NYSE Chicago with NYSE Texas.

2. Statutory Basis

---

<sup>5</sup> See Securities Exchange Act Release No. 102507 (February 28, 2025), 90 FR 11445 (March 6, 2025) (SR-NYSECHX-2025-01) (Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Repeal the Exchange's Certification of Incorporation; Adopt the Certificate of Formation of NYSE Texas, Inc.; Amend the Exchange's By-Laws, Rules, and Certain Fee Schedules; and Amend the Certification of Incorporation and By-Laws of the Exchange's Holding Company To Reflect the Conversion of the Exchange to a Texas Corporation and the Renaming of NYSE Chicago Holdings, Inc.).

The Exchange believes the proposed rule change is consistent with the Act and the rules and regulations thereunder applicable to the Exchange and, in particular, the requirements of Section 6(b) of the Act.<sup>6</sup> Specifically, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)<sup>7</sup> requirements that the rules of an exchange be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest..

In particular, the Exchange believes that the proposal to update Rule 13.4(a) to reference NYSE Texas will ensure that the Rule correctly identifies and publicly states on a market-by-market basis all of the specific network processor and proprietary data feeds that the Exchange utilizes for the handling, routing, and execution of orders, and for performing the regulatory compliance checks related to each of those functions. In addition, the proposed amendment would reduce potential investor and market participant confusion and therefore remove impediments to and perfect the mechanism of a free and open market and a national market system by ensuring that investors and market participants can more easily navigate, understand, and comply with the Exchange's rules. The proposed amendment would not be inconsistent with the public interest and the protection of investors because investors will not be harmed and in fact would benefit

<sup>7</sup> 15 U.S.C. 78f(b)(5).

from the increased transparency and clarity, thereby reducing potential confusion.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed rule change is not intended to address competitive issues but rather is concerned solely with updating Rule 13.4(a) to reflect the name change associated with a source of data utilized when performing order handling, execution, and routing, and for surveillance necessary to monitor compliance with applicable securities laws and Exchange rules.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

The Exchange neither solicited nor received comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The proposed rule change is filed for immediate effectiveness pursuant to Section 19(b)(3)(A) of Act<sup>8</sup> and Rule 19b-4(f)(6)<sup>9</sup> thereunder. The Exchange has designated this proposal as one that effects a change that rule does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) by its terms, does not become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest. Additionally, the Exchange has given the Commission written notice of its intent to file the proposed rule change, along

<sup>8</sup> 15 U.S.C. 78s(b)(3)(A).

<sup>9</sup> 17 CFR 240.19b-4(f)(6).

with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission.

The Exchange believes that the proposed rule change would not adversely affect investors or the public interest, as the Exchange is proposing a non-substantive conforming change to reflect the name change of NYSE Chicago to NYSE Texas found in Rule 13.4. The proposed change would contribute to the orderly operation of the Exchange by ensuring the accuracy of, and adding clarity and transparency to, the Exchange's rules, to the benefit of investors and the public interest.

For the foregoing reasons, this rule filing qualifies as a "non-controversial" rule change under Rule 19b-4(f)(6), which renders the proposed rule change effective upon filing with the Commission. At any time within 60 days of the filing of this proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission will institute proceedings to determine whether the proposed rule change should be approved or disapproved. The Exchange respectfully requests that the Commission waive the 30-day operative delay period after which a proposed rule change under Rule 19b-4(f)(6) becomes effective. The proposed rule change is being submitted merely to update the name of NYSE Chicago to NYSE Texas under Rule 13.4 and does not affect the operation of Rule 13.4 or any other Exchange rule.
