

1. Text of the Proposed Rule Change

(a) Pursuant to the provisions of Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),¹ MEMX LLC (“MEMX” or the “Exchange”) is filing with the Securities and Exchange Commission (“SEC” or “Commission”) a proposed rule change to amend Rule 4.7 of the Exchange’s compliance rule (“CAT Compliance Rule”) regarding the National Market System Plan Governing the Consolidated Audit Trail (the “CAT NMS Plan” or “Plan”)² to be consistent with the amendment to the CAT NMS Plan that requires broker-dealers with a reporting obligation to the Consolidated Audit Trail (“CAT”) to report whether an original receipt or origination of an order to sell an equity security is a short sale for which a market maker is claiming the bona fide market making exception in Rule 203(b)(2)(iii) of Regulation SHO (“BFMM Locate Exception”).³ A notice of the proposed rule change for publication in the Federal Register is attached hereto as Exhibit 1, and the text of the proposed rule change is attached as Exhibit 5.

A notice of the proposed rule change for publication in the Federal Register is provided as Exhibit 1, and the text of the proposed rule change is provided in Exhibit 5.

3. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

a. Purpose

The purpose of this proposed rule change is to amend Rule 4.7 of the CAT Compliance Rule to be consistent with the amendment to the CAT NMS Plan related to the BFMM Locate Exception. In 2023, the Securities and Exchange Commission (the “Commission”) amended the CAT NMS Plan to require the reporting to the CAT of reliance on the BFMM Locate Exception.⁴ Specifically, the Commission added paragraph (D) to Section 6.4(d)(ii) of the CAT NMS Plan, which requires each Participant, through its Compliance Rule, to require its Industry Members to record and report to the Central Repository the following:

for the original receipt or origination of an order to sell an equity security, whether the order is for a short sale effected by a market maker in connection with bona fide market making activities in the security for which the exception in Rule 203(b)(2)(iii) of Regulation SHO is claimed.

⁴ Id.

Accordingly, the Exchange proposes to amend its CAT Compliance Rule to reflect this additional CAT reporting requirement. Specifically, the Exchange proposes to add subparagraph (G) to Rule 4.7(a)(2), which would require each Industry Member to record and report to the Central Repository the following:

for the original receipt or origination of an order to sell an equity security, whether the order is for a short sale effected by a market maker in connection with bona fide market making activities in the security for which the exception in Rule 203(b)(2)(iii) of Regulation SHO is claimed.

b. Statutory Basis

The Exchange believes the proposed rule change is consistent with the Securities Exchange Act of 1934 (the “Act”) and the rules and regulations thereunder applicable to the Exchange and, in particular, the requirements of Section 6(b) of the Act.⁵

Specifically, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)⁶ requirements that the rules of an exchange be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. Additionally, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)⁷ requirement that the rules of an exchange not be designed to permit unfair discrimination between customers, issuers, brokers, or dealers.

⁵ 15 U.S.C. 78f(b).

⁶ 15 U.S.C. 78f(b)(5).

⁷ Id.

The Exchange believes that this proposal is consistent with the Act because it is consistent with the amendment to the CAT NMS Plan approved by the Commission and is designed to assist the Exchange and its Industry Members in meeting regulatory obligations pursuant to the Plan. In approving the Plan, the SEC noted that the Plan “is necessary and appropriate in the public interest, for the protection of investors and the maintenance of fair and orderly markets, to remove impediments to, and perfect the mechanism of a national market system, or is otherwise in furtherance of the purposes of the Act.”⁸ To the extent that this proposal implements the Plan as amended, and applies specific requirements to Industry Members, the Exchange believes that this proposal furthers the objectives of the Plan, as identified by the SEC, and is therefore consistent with the Exchange Act.

4. Self-Regulatory Organization’s Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Exchange Act. The Exchange notes that the proposed rule change is consistent with the amendment to the CAT NMS Plan approved by the Commission and is designed to assist the Exchange in meeting its regulatory obligations pursuant to the Plan. The Exchange also notes that the amendment to the CAT Compliance Rule will apply equally to all Industry Members that trade equity securities. In addition, all national securities exchanges and FINRA are proposing these amendments to their CAT Compliance Rules.

⁸ See Securities Exchange Act Release No. 79318 (November 15, 2016), 81 FR 84696, 84697 (November 23, 2016).

Therefore, this is not a competitive rule filing, and, therefore, it does not impose a burden on competition.

5. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

Written comments were neither solicited or received.

6. Extension of Time Period for Commission Action

The Exchange does not consent at this time to an extension of the time period for Commission action specified in Section 19(b)(2) of the Exchange Act.⁹

7. Basis for Summary Effectiveness Pursuant to Section 19(b)(3) or for Accelerated Effectiveness Pursuant to Section 19(b)(2) or Section 19(b)(7)(D)

The proposed rule change is effective upon filing pursuant to Section 19(b)(3) of the Exchange Act¹⁰ and paragraph (f)(6) of Rule 19b-4 thereunder,¹¹ in that the proposed rule change does not significantly affect the protection of investors or the public interest; does not impose any significant burden on competition; and does not become operative for 30 days after filing or such shorter time as the Commission may designate.

The proposed rule change would not significantly affect the protection of investors or the public interest because it seeks to conform the CAT Compliance Rule to be consistent with the amendment to the CAT NMS Plan approved by the Commission. Accordingly, the Exchange has designated this rule filing as non-controversial under

⁹ 15 U.S.C. 78s(b)(2).

¹⁰ 15 U.S.C. 78s(b)(3).

¹¹ 17 CFR 240.19b-4(f)(6).

Section 19(b)(3)(A) of the Exchange Act¹² and paragraph (f)(6) of Rule 19b-4 thereunder.¹³

A proposed rule change filed under Rule 19b-4(f)(6) normally does not become operative prior to 30 days after the date of the filing. However, pursuant to Rule 19b-4(f)(6)(ii), the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that the proposal may become operative upon filing. The Exchange believes that waiving 30-day operative delay is consistent with the protection of investors and the public interest because the proposal seeks to amend the Exchange's CAT Compliance Rule consistent with the amendment to the CAT NMS Plan requiring that broker-dealers with a reporting obligation to CAT report whether an original receipt or origination of an order to sell an equity security is a short sale for which a market maker is claiming the BFMM Locate Exception,¹⁴ which amendment has an initial compliance date of July 1, 2025.¹⁵ Additionally, the Exchange has given the Commission written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission.

¹⁴ See supra note 3.

¹⁵ See Securities Exchange Act Release No. 98739 (October 13, 2023) 88 FR 75079 (November 1, 2023).

At any time within sixty (60) days of the filing of such proposed rule change, the Commission may summarily temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Exchange Act.

8. Proposed Rule Change Based on Rules of Another Self-Regulatory Organization or of the Commission

As discussed in detail above, the proposed amendment to the CAT Compliance Rule is consistent with the amendment to the CAT NMS Plan regarding the BFMM Locate Exception approved by the Commission.

Self-Regulatory Organizations; MEMX LLC; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change to Amend Rule 4.7 of the Exchange's CAT Compliance Rule

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the “Act”),¹ and Rule 19b-4 thereunder,² notice is hereby given that on [insert date], MEMX LLC (“MEMX” or the “Exchange”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

(a) The Exchange is filing with the Commission a proposed rule change to amend Rule 4.7 of the Exchange’s compliance rule (“CAT Compliance Rule”) regarding the National Market System Plan Governing the Consolidated Audit Trail (the “CAT NMS Plan” or “Plan”)³ to be consistent with the amendment to the CAT NMS Plan that requires broker-dealers with a reporting obligation to the Consolidated Audit Trail (“CAT”) to report whether an original receipt or origination of an order to sell an equity security is a short sale for which a market maker is claiming the bona fide market making

exception in Rule 203(b)(2)(iii) of Regulation SHO ("BFMM Locate Exception").⁴ A notice of the proposed rule change for publication in the Federal Register is attached hereto as Exhibit 1, and the text of the proposed rule change is attached as Exhibit 5 and is available on the Exchange's website at <https://info.memxtrading.com/regulation/rules-and-filings/>.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of this proposed rule change is to amend Rule 4.7 of the CAT Compliance Rule to be consistent with the amendment to the CAT NMS Plan related to the BFMM Locate Exception. In 2023, the Securities and Exchange Commission (the "Commission") amended the CAT NMS Plan to require the reporting to the CAT of reliance on the BFMM Locate Exception.⁵ Specifically, the Commission added paragraph (D) to Section 6.4(d)(ii) of the CAT NMS Plan, which requires each Participant, through its Compliance Rule, to require its Industry Members to record and report to the Central

Repository the following:

for the original receipt or origination of an order to sell an equity security, whether the order is for a short sale effected by a market maker in connection with bona fide market making activities in the security for which the exception in Rule 203(b)(2)(iii) of Regulation SHO is claimed.

Accordingly, the Exchange proposes to amend its CAT Compliance Rule to reflect this additional CAT reporting requirement. Specifically, the Exchange proposes to add subparagraph (G) to Rule 4.7(a)(2), which would require each Industry Member to record and report to the Central Repository the following:

for the original receipt or origination of an order to sell an equity security, whether the order is for a short sale effected by a market maker in connection with bona fide market making activities in the security for which the exception in Rule 203(b)(2)(iii) of Regulation SHO is claimed.

2. Statutory Basis

The Exchange believes the proposed rule change is consistent with the Securities Exchange Act of 1934 (the “Act”) and the rules and regulations thereunder applicable to the Exchange and, in particular, the requirements of Section 6(b) of the Act.⁶

Specifically, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)⁷ requirements that the rules of an exchange be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. Additionally, the Exchange believes the proposed rule change is consistent with

⁶ 15 U.S.C. 78f(b).

⁷ 15 U.S.C. 78f(b)(5).

the Section 6(b)(5)⁸ requirement that the rules of an exchange not be designed to permit unfair discrimination between customers, issuers, brokers, or dealers.

The Exchange believes that this proposal is consistent with the Act because it is consistent with the amendment to the CAT NMS Plan approved by the Commission and is designed to assist the Exchange and its Industry Members in meeting regulatory obligations pursuant to the Plan. In approving the Plan, the SEC noted that the Plan “is necessary and appropriate in the public interest, for the protection of investors and the maintenance of fair and orderly markets, to remove impediments to, and perfect the mechanism of a national market system, or is otherwise in furtherance of the purposes of the Act.”⁹ To the extent that this proposal implements the Plan as amended, and applies specific requirements to Industry Members, the Exchange believes that this proposal furthers the objectives of the Plan, as identified by the SEC, and is therefore consistent with the Exchange Act.

B. Self-Regulatory Organization’s Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Exchange Act. The Exchange notes that the proposed rule change is consistent with the amendment to the CAT NMS Plan approved by the Commission and is designed to assist the Exchange in meeting its regulatory obligations pursuant to the Plan. The Exchange also notes that the amendment to the CAT Compliance Rule will apply equally to all Industry Members that trade equity securities. In addition, all national securities

exchanges and FINRA are proposing these amendments to their CAT Compliance Rules. Therefore, this is not a competitive rule filing, and, therefore, it does not impose a burden on competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

The Exchange neither solicited nor received comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The proposed rule change is effective upon filing pursuant to Section 19(b)(3) of the Exchange Act¹⁰ and paragraph (f)(6) of Rule 19b-4 thereunder,¹¹ in that the proposed rule change does not significantly affect the protection of investors or the public interest; does not impose any significant burden on competition; and does not become operative for 30 days after filing or such shorter time as the Commission may designate.

The proposed rule change would not significantly affect the protection of investors or the public interest because it seeks to conform the CAT Compliance Rule to be consistent with the amendment to the CAT NMS Plan approved by the Commission. Accordingly, the Exchange has designated this rule filing as non-controversial under Section 19(b)(3)(A) of the Exchange Act¹² and paragraph (f)(6) of Rule 19b-4 thereunder.¹³

A proposed rule change filed under Rule 19b-4(f)(6) normally does not become operative prior to 30 days after the date of the filing. However, pursuant to Rule 19b-

¹⁰ 15 U.S.C. 78s(b)(3).

4(f)(6)(ii), the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that the proposal may become operative upon filing. The Exchange believes that waiving 30-day operative delay is consistent with the protection of investors and the public interest because the proposal seeks to amend the Exchange's CAT Compliance Rule consistent with the amendment to the CAT NMS Plan requiring that broker-dealers with a reporting obligation to CAT report whether an original receipt or origination of an order to sell an equity security is a short sale for which a market maker is claiming the BFMM Locate Exception,¹⁴ which amendment has an initial compliance date of July 1, 2025.¹⁵ Additionally, the Exchange has given the Commission written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission.

At any time within sixty (60) days of the filing of such proposed rule change, the Commission may summarily temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Exchange Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views and arguments concerning the foregoing, including whether the proposed rule change is consistent with
